

Season permit 2019 Terms & Conditions

Validity:

Valid until 30th November 2019.

Monthly permits only valid for month noted on permit.

Valid at waters mentioned on permit card only.

Fishing on Bristol Water Fisheries property is subject to the detailed Bristol Water Fisheries General

Fishing Regulations, obtainable by request from Woodford Lodge Fisheries office.

All permit holders must hold a valid National Rod License before fishing at Bristol Water Fisheries.

Entitlement:

Season permits entitle a maximum of 6 fish to be retained in any one day's fishing, unless otherwise stated.

Season ticket anglers are also restricted by their total annual allowance of fish.

Predator permits only permit pike and perch to be targeted. All trout caught by accident must be released unharmed to the water.

Accurate and regular catch returns must be completed at the end of each days fishing.

Catch return cards are available free of charge from Bristol Water fisheries staff.

Catch returns must be handed to a member of staff, dropped in a permit box or emailed to Woodford.lodge@bristolwater.co.uk after each visit.

Fishing Times and Bank Fishing behaviour:

Anglers may not be at the lakeside until one hour before sunrise.

Anglers may tackle up earlier, but should not leave the car parks.

Staking of places on the bank is not permitted.

Unattended nets may be seized.

Bank anglers must be respectful of other lake users at all times when on company property.

Permit holders are responsible for their own personal safety when on company property.

Safety

You are responsible for your own safety when angling on Bristol Water property. Any safety measures taken by Bristol Water do not relieve you of this responsibility. If you go into the water you do so at your own risk.

Anglers must not wade any deeper than the tops of their thighs (i.e. normal thigh wader depth).

For your safety, Bristol Water strongly advises wearing a lifejacket and use of a wading staff when wading.

At times, hidden dangers such as deep water, obstacles, weed beds or soft mud may hamper entry into the water and limit available fishing spots.

Do not cast if there is a danger of hitting people behind you. Be especially careful on or near public areas and footpaths.

Wading is not permitted at Barrow tanks.

Liability

Anglers should comply with the safety advice set out above at all times when on Bristol Water property. Failure to do so may result in death or serious injury.

Bristol Water will not be liable for any death or personal injury resulting from the failure of Anglers to abide by the safety rules or other unsafe behaviour by anglers. This does not exclude Bristol Water's liability for death or personal injury resulting from its negligence or that of its employees or agents.
